04 VISIT TO CAS'AMARO VINEYARD AND WINE TASTING

_5 wines

At Cas'Amaro, the visit will begin with a tour of our vineyards and organic production processes. One of our employees will explain the different vinification and production processes of each Cas'Amaro wine with the same passion with which we make our wines. The tour continues through our wine tourism unit on a route that combines art and wine in every detail, ending with a tasting of 5 of our wines accompanied by a tasting of regional products, some organic, selected exclusively for you, which will allow you to understand our choice of working in harmony with nature and favouring sustainability in every step taken. The tour ends with an invitation to visit the shop to buy our wines and products.
