08_ HARVESTING EXPERIENCE*

Every year we take advantage of the grape harvest season (August and September) to offer our clients and visitors the chance to join us and be part of the birth of our new wines. The experience includes breakfast, a guided tour of our vineyards, followed by an explanation of the grape picking technique, 45 minutes of real grape picking and a visit to the winery and tasting of 3 wines accompanied by regional snacks in our WineBar. The visit ends with an invitation to visit the shop to buy our wines and products.

*The programme takes place on specific dates each year and requires pre-booking; includes the necessary harvest kit (hat, scissors and bucket)
